President's Message

Summer 2009 is here! We hope everyone is enjoying themselves at Wood Valley Swim & Racquet Club and hope you are happy with the many improvements made to the club since last year. These updates include the refurbished bathrooms and new swing sets, as well as the safety improvements required by the Virginia Graeme Baker Act. Both the main pool and wading pool have been resurfaced.

On the note of safety, the WVSRC board is implementing new procedures to ensure that our paid membership is able to safely enjoy the pool. This year we have distributed membership cards and ask that you bring these to the pool each time you visit in order to avoid having to wait while the guards verify your membership status. Strong membership and guest tracking procedures are required for our liability insurance. We also ask that you follow the parking lot traffic pattern. New arrows have been painted to direct traffic flow. The basketball gate will be locked throughout the pool season – please enter through the pool. Guest fees apply.

WVSRC is a non-profit organization. We are run by an all-volunteer board, and also depend on member volunteers to keep the club and Youth Sports running smoothly. Please contact wvsrc_social@woodvalleysrc.com if you would like to volunteer for an event. We appreciate all our members' help in keeping the club neat and clean and following all the rules, so that we may all safely enjoy our wonderful neighborhood swim and tennis facility! We depend on everyone to make Wood Valley Swim and Racquet Club safe and enjoyable!

Membership News

WVSRC currently has 287 families who have joined the club so far in 2009. This includes 197 Permanent, 52 Annual, and 38 Empty Nester families. New members receive a one-time \$100 off their first year dues.

SOCIALS

Friday night family nights have begun! Join your friends and neighbors for food, adult beverages, adult volleyball and fun. The menu changes weekly. This is an easy, inexpensive way to have fun with the family on Friday nights. As always, we can use volunteers to help with serving food and cleanup – just come into the clubhouse and help out for a while. Kid Crafts will be starting June 24th @ 11:50am. Watch for signs in the breezeway!

The School's Out Party on May 29 was a big success. We had at least 100 children who enjoyed pizza, karaoke and swimming with their friends!

YOUTH SPORTS

The Wood Valley Otters are out in full force! We have over 140 swimmers, 20 divers, and over 60 tennis players. When we have a home swim or dive meet you will see the blue MEET flag on the mailbox. The pool is closed (including the wading pool) during swim and dive meets. Reference our website (www.woodvalleysrc.com) for all Youth Sports schedules.

<i>*fees are subject to change without notice</i>	

During pool hours there is a charge based on adding lifeguards. After hours, there is a \$25 charge for renting the pool plus an hourly charge based on the number of lifeguards required (minimum 2 on duty). The pool and lifeguard fee is paid at time of rental.

Arrangements for pool parties must be made at least 2 weeks in advance of the date of the function in order to facilitate scheduling of lifeguards. Please reference the website

(<http://www.woodvalleysrc.com/home-page/rentals>) for the specific charges for lifeguards. Additionally, click the **Clubhouse Rental Calendar** link on this page to check clubhouse availability.

If you plan to hold a birthday party at the pool, please notify rentals@woodvalleysrc.com at least 2 weeks prior to the event. This is to avoid overcrowding of the shelter, and to ensure that enough guards will be on duty. Guest fees will apply to all non-members who attend.
