Coach Little Otter Awards and Tim Schlagenhauf Award

These awards are given to the swimmer who best exemplifies the spirit of the Wood Valley Otters. They are enthusiastic, on time to practice, and cheer on their teammates. They may not be the best swimmers on the team, but they are the ones who make the Wood Valley Otters the best team ever! Tim Schlagenhauf was a Wood Valley swimmer who died April 27, 1983 as a teenager in a car accident. His parents asked that we award this trophy every year in his name since he was a swim team member and enjoyed it a lot.
