

Meet Concession Coordinator

Description:

This volunteer plans the concessions for home swim meets. Each Youth Sports program (Swim, Dive Tennis) provides the concessions for one of the three home swim meets. The meet concessions coordinator arranges the donation of items such as fruit, popcorn and cookies to be sold in the clubhouse. They may use Signup Genius for this purpose.

Volunteers for the Swim team's designated concessions hosting day are achieved through the volunteer sign up. The coordinator works with Tennis and Dive to get volunteers for the other two home meets.

The Meet Concession Coordinator also works with the Family Fun nights Coordinator to arrange which food trucks will be available at the swim meets.
